In Shape (pairs)

* these specifications are the most common on our production, others may be possible upon consult.

IN SHAPE

Our In Shape program means gains in productivity and direct cost reductions.

Elastics in the shape you want, avoiding cutting tools and cut operations.

Get your elastic with sew guides, avoiding drawing tools and work to do it.

Demand pairs instead of meters, reducing productions costs.

Have a perfect result with welded cut, no scissors or shed edges.
